

West Berkshire Local Plan Review 2022-2039

Note prepared by West Berkshire Council to accompany the Schedule of Proposed Main Modifications (MM) as at 1 August 2024 (as revised)

This note provides clarification on any presentation changes made compared to the Schedule of Proposed Main Modifications (MM) as at 1 August 2024:

- *The Main Modifications to the RSA and ESA policies have been slightly re-arranged so that there is only one Main Modification for each site.*
- *Each site is also now considered separately.*
- *The RSA policies have also been made clearer and consistent in relation to water and waste water infrastructure and phasing.*
